Vin Number: SCA681L00AUH08211

Registration Number: LJ59EHE Or by separate negotiation RO11S OO

Costing a staggering £350,000 when New & optioned to the highest specifications, this Extended Wheel Base Phantom has covered just 32,322 miles at time of photography from new which will increase whilst in stock with us. The car was ordered new by the property company of one of Russia's weathiest Oligarchs & maintined without regard to cost. It resided underground at Beechwood house in Hampsted, one of Londons most expensive & exclusive mansions. The first three owners of the car were all associated with the first Russian owners property company prior to passing to ourselves.

The list of options ordered for the car include: Individual rear seats, rear fridge, cocktail cabinet with dual decanters & glasses, a rear storage for crystal champagne flutes, rear fold out foot rests, privacy curtains, rear picnic tables with flip up entertainment screens, extended burr walnut to the steering wheel & drinks holder cover etc etc etc.

The car sits on new 7 star alloy wheels shod with 4 recent tyres giving the car a very recent contemporary look. A massive history file comes with the car detailing

the services done to it by Rolls Royce London. The car has also had its most recent service in October 2022 so is absolutely ready to go. It comes with its original books, both keys, valet door opener etc. The engine coil packs have also just been replaced.

To the exterior is stunning royal blue metallic paintwork. The interior is unmarked seashell leather piped in dark blue along with dark blue carpets. Traditional highly figured burr walnut completes the opulent interior. The headrests carry the Rolls Royce monogram & fold down vanity mirrors are fitted for the use of rear passengers.

Always garage kept, the car is pristine inside & out. The story continues with a simply immaculate under bonnet area & gleaming V12 engine.

This is one of the highest spec EWB phantoms out there & as such would be very hard to repeat. It looks like new & drives like new. Currently on LJ59EHE, the plate ROllS OO is available at an additional £25k price.
