ADDITIONAL INFORMATION / SERVICE HISTORY

1961 Rolls Royce Silver Cloud II

Chassis number: SXC447

Registration number: SBV707

Not just any silver cloud: A lovely low mileage example with continuous ownership history since new & having covered just 70,000 miles.

The car has been owned for the last few years by a fastidious ex-pat English Gentleman living near Salzburg. During his tenure much money has been spent to keep the car in tip top condition, making it a really lovely example.

The car will be with us in the next couple of weeks at our showroom in Grays. This is an exceptional car in way way above average condition & is driving beautifully. The car is finished in Maroon & champagne with the recent paintwork being in gorgeous condition. To the interior is cream leather piped in burgundy with cream/burgundy door cards & burgundy carpets to finish the look. The woodwork is also in exceptional condition.
