ADDITIONAL INFORMATION / SERVICE HISTORY

2010 Rolls Royce Ghost

Vin Number: SCA664S08BUH15160

Registration: To be Announced. Private plate being retained.

A chairmans car in mint like new condition with just 9,700 miles covered from new. This car's basic cost was £169,150 pounds when new & an incredible £84,000 pounds of extras were specified bringing the total car purchase price up to £254,327.95 Pounds. It is the most highly specified Ghost we have ever handled.

The car is finished in Rolls Royce diamond black metallic with no scratches, marks or polishing swirls whatsoever. It is factory new in condition. To the interior is creme light perforated leather along with piano black wood. The extras list in our picture gallery is well worth reading as it is incredibly extensive with chrome wheels & panoramic sunroof to name a couple of them.

The car has been fully serviced every year by Rolls Royce London & also has a full set of MOT certificates with no advisories showing the small incremental mileages covered each year. The car sits in a helicopter garage next to the owners helicopter which accounts for the low miles as the chairmen preferrs to fly rather than drive.

Viewings are by prior appointment on the coast in East Sussex. (Heli Pad available.)
