Vintage and Prestige are delighted to offer this Jaguar XJ6 SE model in impeccable condition. This model cost a kings ransom when new & comes with almost every option imaginable. It has covered just 68,000 miles from new & comes to us with full service history from new , with a recent service just done.

It is finished in titanium silver metallic paintwork and is in perfect order throughout. To the interior is beige leather complimented by deep brown highly figured burr walnut dash board. The interior is a lovely place to be with heated front & rear seats in addition to the usual SE extras.

The car sits on unmarked alloy wheels shod with 4 good tyres. It is properly serviced & looked after & ready for its next owner. These models are very scarce & are absolutely luxurious things both to drive & to be driven in.
