ADDITIONAL INFORMATION / SERVICE HISTORY

1985 Ferrari Testarossa Monospecchio LHD

Registration number: B190YUB

A rare early production left hand drive model having covered just 21,000 fully documented miles from new. This is a single knock off wheel stud single mirror model. The car had two american owners prior to being imported to the Uk recently.

The car has service records from day one & has just had the all important engine out cam belt change along with a full service performed by Ferrari Manchester. Just prior to shipping the car it won a trophy at the Ferrari only Cavallino Classic meeting in Florida.

The car is finished in traditional Rosso Red with a Nero leather interior. This Ferrari Testarossa comes with its full tool kit in addition to its original books & papers. It is UK taxes paid, UK registered & absolutely ready to go. We drove it 100 miles to our showroom & can confirm that it drives beautifully.
