### VEHICLE DETAILS

#### ADDITIONAL INFORMATION / SERVICE HISTORY

1970 Bentley T1 Mulliner Park Ward FHC.

Chassis number: CRH8496

Registration number: B AG 291H (German) Formerly ALG204J UK

An absolutely gorgeous Rolls-Royce converted to Bentley specification by the previous owner, this is a stunning 2 door coupe in excellent condition.

The car in 2015 had over £45,000 (DKK390,000) in mechanical work done to it along with a bare metal respray in metallic maroon by authorized Danish Rolls-Royce Service agents Bernt Hansens of Copenhagen. The bills in Danish for this are all on file.

To the interior is Black hide & black carpeting all in superb condition. Burr walnut adorns the dash board & door tops. The walnut has been removed & refinished to as new condition. New tyres have also been recently put on the car. The car drives absolutely beautifully as a result of the money spent upon it. These are rare & collectible cars in the Bentley form & this one is a particularly fine example with all the money required having been already spent upon it.

The car is currently on German Plates & arrives back with us on September 18th.

We can re UK register the car if required for UK use. It is EEC taxes paid currently.
