VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1953 Bentley R Type

Chassis number B90TN

Registration number: 744UYG

A very original & low mileage Bentley R Type. The car came out of an Irish estate where it had resided for many years & was put into a private collection of mostly Bentley Motorcars where it has been used sparingly but regularly. The car has been maintained without regard to cost, whilst leaving the cosmetics original.

The paint is original faded & with some blemished & would benefit from being redone at some stage as would the interior woodwork. The grey leather inside is in very nice patinated condition with royal blue carpets under foot.
