Registration: EWV

512L

Price: £94,000

VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

Jaguar E type V12 Roadster RHD 5 Speed

Restored 9 years ago, this car has been used since then regularly but sparingly including a summer tour around Lake Balaton In Hungary.

The car is in superb condition with gunmetal grey paintwork to the exterior along with chrome pressed wheels. A snug black mohair roof completes the look.

To the interior is Maroon leather with matching Maroon carpets all in fine restored condition. Mechanically the car has been fully gone through during the rebuild leaving a car which is smooth powerful & very very tractable pulling in top gear from walking pace. The car has covered a scant 15,000 miles since restoration & has been used summers only.

The car has resided in Budapest for the past 7 years where it has been in a privately owned collection. This great example Jaguar E type V12 Roadster really does want for nothing & drives superbly, having just been subject to a complete overhaul to bring the car up to scratch. With the RHD conversion and 5 speed gearbox being recently done, instructions from the previous owner were to completely go through the car and see to whatever was needed.
