Simply the best of the best & a Pebble Beach/Villa D'Este quality car.

This wraith was restored by Marque specialist Ted Overton & is good as any we have seen. It drives like a new car & has FLAWLESS paint & leather to a quality of which we rarely see.

It is possibly the finest condition pre war Rolls Royce or Bentley we have ever handled & wears drop dead gorgeous coachwork in the form of a sedanca coupe by Gurney Nutting. The roof glides open after releasing two front catches & stows in a recess to the rear of the roof. A full tool kit is located in the boot on a fold out tray.

Perfection needs but few words & this car would suit someone looking for the best of the best.
