### VEHICLE DETAILS

#### ADDITIONAL INFORMATION / SERVICE HISTORY

1960 Jaguar XK150 3.8 Litre Overdrive SE Drophead Coupe RHD.

Chassis number: S838929

Registration number: 844UYM

Fresh from a nut & bolt restoration with incredible attention to detail. Without doubt this is the best we have ever seen. It was restored without regard to expense & is utterly stunning. I always hesitate to use the phrase "Best in the World", but this one may very well be it.

Despatched from Jaguar cars on 8th September 1960 and shipped to New York, this originally left hand drive matching numbers XK150 has sourced from California. Chassis number S838929 is a genuine 3.8 litre SE example and is within the last 100 to be manufactured and as such defines this as being a rare and desirable. Having been stood for many years, this Jaguar was in need of total restoration which has now been completed after 5 years painstaking work. The car was solid & rust free having resided in sunny California climes before being located after an exhaustive search to begin the project.

Attention was given to making it as modern day driveable as possible so the following modifications were incorporated into the car during the restoration.

Hydraulic power steering  
Upgraded servo  
Four pot front calipers - aluminium  
Aluminium fuel tank  
Aluminium radiator  
Aluminium expansion tank  
Electronic operation cooling fan  
Full leather trim  
LED bulbs in all gauges  
Took kit  
Electronic ignition  
Wooden center dashboard - high gloss  
Wooden Motolita steering wheel - high gloss to match dashboard  
Michelin Pilot X tyres  
Stainless steel exhaust  
K&N air filter  
High compression pistons  
Unleaded petrol cylinder head  
High flow oil pump.

We rarely use the words "Best in the world" but for sure this has to be a contender. We sold this car 3 years ago to the current owner who kept it in his heated garage & has put just a few hundred running in miles on the car. It was purchased for £220,000 more to be admired than used & eyesight issues now dictate the need to sell it.
