ADDITIONAL INFORMATION / SERVICE HISTORY

1995 Rolls Royce Silver Spur 3

Vin Number: SCAZN02C4SCH55499

Registration Number: M620PAG

Finished in unmarked Windsor Blue metallic, this Rolls Royce Silver spur has covered 67,000 miles from new. Being a LWB spur 3 Version the car has acres of room to the rear & drives simply beautifully with the later updated suspension giving a smooth silent undulating ride.

The interior is cream leather piped in dark blue. Lovely walnut picnic tables are fitted to the front seat backs & the dash is also of burr walnut. The seats are in excellent condition showing no wear & the rear seats appearing to not have been sat in. A wood rimmed airbag equipped steering wheel is also fitted which is pleasantly tactile to the touch. The car was specified with additional walnut panels to the rear door inserts. Vanity mirrors & reading lights are fitted to the rear quarter areas mounted in burr walnut surrounds.

The car comes to us from a small collection of Rolls Royce & Bentley motor cars. It is in the process of having a full service performed upon it by marque experts Colbrook Specialists so it is absolutely ready for extended use by the next owner. Very clean & tidy under the bonnet, this is a garage kept car with no signs or

corrosion.
