Chassis number: B630CN

Registration number: KGJ570A

Finished in its original colours of Sand over Sable; this Bentley S3 has resided many years in a private collection & has covered 84,000 indicated miles.

Always garaged this is a solid corrosion free example in beautiful driving order. To the interior is lightly patinated original stone coloured leather in good order along with burr walnut woodwork in its original finish. Picnic tables are fitted to the seat backs for the use of the rear passengers.

The story continues under the bonnet with a nice tidy engine bay. The engine runs quietly exhibiting good oil pressure & is allied to a smooth changing automatic gear box. The car has recently been serviced to make it ready for sale.

The sable over sand paintwork is all in good condition & is blemish free. Likewise the chrome & brightwork is all in good condition. The car has the chrome side strip running along the front wing which was an optional extra when new.
