One owner from new & forming part of an important private collection we have been tasked to sell. This Ferrari 575 F1 has seen only dry weather use & has been serviced by the book at Giuseppe Martinis in Udine right up to date. The car has covered just 31,000 miles of 50,000 KMs since the elderly owner bought it new.

The car is finished in unmarked Ferrari Red paintwork. To the interior is Black leather with daytona pattern seats again in unmarked condition. Under the bonnet the car is equally flawless having been always garaged, serviced & maintained by a full time car valet.

If you are looking for a one owner properly serviced 575 that has seen regular but sparing use then seek no further. Viewings are by appointment near Villach in Austria. We can collect & deliver the car anywhere in europe. Perfection needs but few words!
