2019 Range Rover Vogue SE.

Vin Number: SALGA2AK8KA544937

Just 46,000 miles from new & a high spec example in pristine condition. This Range Rover comes to us with a full dealer service history all at Land Rover main dealers with 4 stamps in the book. 4 Brand new tyres have just been fitted so the car is absolutely ready to go.

The car is finished in pristine & unmarked Ammonite & Corris Grey. It sits on four unmarked alloy wheels. The story continues under the bonnet with a nicely detailed engine bay as a result of always being garaged. To the interior is black leather throughout with dark grey ash wood accents.

Assorted upgrades come with the car including:

Four Zone Climate Control, Front Fog Lights, Extra Large Additional Washer Bottle, CD-DVD Player, 5 seats, Sunroof / Sat Nav & a detachable unused tow bar, Climate controlled seats, Parking sensors, Glass roof, Satellite navigation system, Rear

cross-traffic alert radar & camera & more.

All original books, tools & manuals come with the car along with a service record print out. Adaptive cruise control is also fitted to the car making for relaxed driving in traffic. An unused spare wheel is found under the boot floor. The rear seats fold flat at the simple touch of a button allowing for larger loads to be easily carried.

We are reselling the car as we supplied it several years ago to the current owner who has just taken delivery of his new Range Rover.
