ADDITIONAL INFORMATION / SERVICE HISTORY

2002 Noble M12-GTO V6 5 Speed Manual

VIN NUMBER: SA9M1R1M1K113034

REGISTRATION NUMBER: NOB61X

The Noble M12-GTO is the supercar known worldwide to be the "supercar built in a shed in Leicester".

The Noble M12 is an extremely rare appreciating classic, a car that puts the driver back in command of the vehicle without all the electronic controls that will break in half the joy of driving.

This Noble M12-GTO comes to us in pristine conditions from a collection near Brands Hatch, the owner, a racing enthusiast kept the Noble in his storage garage for years treating it like a baby.

Both the inside and the outside are basically mint, with only 30,000 miles from new this car is the ultimate toy to own for the Petrolheads.

Full service history comes with the car and also a great amount of invoices that proves that this Noble M12-GTO has always been treated well. The car has new

belts fitted & so are the tyres and fluids and filters so the car is absolutely ready to go.

The quilted headlining, chamois covered steel roll cage makes this little track-toy a great every day driver as well. It is also equipped with a sony radio /CD player

This Noble M12-GTO is fitted with a 5 speed Manual gearbox and the famously reliable Ford Mondeo Duratec V6, equipped with specially tuned twin turbos giving an output of 320bhp, since the car weighs just over 1 ton, the power to weight ratio it's over 310bhp per ton, which is in the Porsche Gt2 arena.

If you are a petrolhead who loves the pure joy of being in control of your own car, loves the sense of speed and cornering fast, the Noble M12-GTO is the right car to have. It personifies all we miss from the "good old' days" where the cars were driven and not where the cars drive you around.

The private plate comes with the car as well.

Ready to be seen and driven away in our showroom.
