VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1932 Rolls Royce 20/25 H.J. Mulliner Sports Saloon.

Chassis number: GMU4

Registration Number: FS3243

Arriving third week June with us.

A charming & patinated car with original leather interior & carpets etc. This car has been in long term ownership for the last 15 or so years where it has seen very very sparing use whilst sharing garage space with an H.J. Mulliner bodied Derby Bentley. The first owner was Sir Archibald Bell Black, QC residing in Edinburgh.

Extensive works have been done to the engine by the last owner including sleeving the cylinders & fitting new pistons & con rods which were reamed to take new pins.

Prior to sale the car went to Kenworthy engineering where a full service was performed with some £8,000 in work completed on the car including new cam shaft bearings. with the work finished in April of 2024

Coachwork is to the Weymann pattern by H.J. Mulliner of Chiswick & takes the form of a spacious sports saloon. Paintwork is older but presents well in maroon over black with a black fabric covering to the roof. Twin side mount spares are in situ & there is a large luggage rack with a capacious luggage box that fits on the rear of the car.

The drivers side door is fitted with a hooper patent signal window. The front windscreen folds open a long way by about 8 inches allowing for a pleasant draft of cool air to enter the cabin on hot summer days.

Running well the car is a pleasure to drive & has a lovely vintage Rolls feel to it as a whole. We remember it fondly from when we sold it to the current owner 15 years ago.
