Just in!!!

Simply the best driving one we have ever had. The car comes to us with massive detailed bills from assorted specialists including Marque Specialists Padgett Engineering who bored the engine out to 4.9 litres whilst totally rebuilding it to as new & significantly upgraded the suspension to give modern day handling. The car when driven at high speed is a revelation befitting the moniker "Continental".

It is finished in flawless Midnight Blue with Equally flawless burgundy hides & carpets to the interior.

Perfection needs but few words.
