Just 42.519 Miles from new. This car was supplied new to Jersey where it was always garaged & has always been garaged since under the current ownership.

The 81 year old owner has now decided it is time to part company with it as part of his downsizing of his lifestyle. The car has been well serviced by both its previous lady owner & the current octogenarian owner by mileage rather than by time due to its sparing use.

The service book shows stamps at 587, 15242, 27197, 31173, 34324, 36574, 40668 & 42476 Miles with the last service being done This month, October of 2022 so it is bang up to date. The car also benefits from having a brand new clutch just fitted.

Hard to find with such low miles & this sort of provenance the car is absolutely ready for its next owner. The interior is unmarked black leather. To the exterior is brilliant silver metallic paintwork & unmarked lattice style alloy wheels. The black electric top glides up & down at the touch of a button. This is a rust free car in

perfect order & is in way above average condition showing real pride of ownership.
It drives beautifully & is a pleasure to travel in.
