ADDITIONAL INFORMATION / SERVICE HISTORY

1938 Derby Bentley 4.25 Litre H.J. Mulliner disappearing roof.

Chassis number: B-140-LS

Registration Number: EKX556

A massive amount has been recently spent upon this car with Fiennes engineering to the tune of around £50,000. The car is thus in first rate mechanical order & driving superbly. The car is thus very useable & immediately ready for long journeys.

Coachwork is the desirable & sought disappearing roof style by H.J.Mulliner. It is easy to use & gives a very stylish finished look when the roof is stowed under the rear cowl.

The car is finished in good dark brown paint over a deep cream colour suiting the car well along with a brown convertible top. To the interior is older but very serviceable patinated cream leather. The car sits on wire wheels all round & has twin sidemount spares on either side. A period spot lamp & twin horns are mounted up front.
