ADDITIONAL INFORMATION / SERVICE HISTORY

1986 Rolls Royce Silver Spirit.

Chassis number: SCAZS0002GCH16130

Registration Number: D333VSA

A simply mint & as new garage queen with just 15,933 miles covered from new backed up by a full set of MOT certificates. This car is simply pristine & looks & drives as when new.

The car is finished in unmarked deep metallic blue paintwork to the exterior. Inside is as new pale blue hide piped in dark blue. Traditional burr walnut for the dash board & door tops complete the opulent interior along with a high quality Blaupunkt sound system. The car comes with its original book pack & instruction & service manuals.

in 2021 noted marque specialists Balmoral UK performed a massive & full service upon the car at a not inconsiderable cost of £5,932.65 pounds. The car has covered less than 200 miles since then so is absolutely ready to go & have extended use. The unused tool kit as supplied when new is located in the blue carpet lined boot.

Not much more need be said about this car as perfection needs but few words. We have not in recent years had such a perfect example come our way & its condition

is a credit to its former keepers. Well worth a look if you seek the best.
