1963 BENTLEY S3 SALOON FOR SALE

Chassis Number: B382CN

Registration Number: VSU262

This Bentley S3 was delivered new to Mr Eric Colston J.P. of the Hoover Vacuum Company on the 08/04/1963. The car is finished in excellent Masons Black paintwork. This car was owned from 1991 though 2019 by one owner. Upon his passing the current owner purchased it having known the car for many years. The car has service history from Broughtons of Cheltenham. We are also doing a service & going through the brakes prior to sale so the car is absolutely ready for its next owner.

To the interior is Pale grey original leather in good order with light patina to the drivers seat. The woodwork is in good condition & original as when it left the factory. Carpets are dark green throughout. The car resided in the USA for some years at which time modern air conditioning was fitted as was a modern Clarion sound system with rear speakers. The car comes with assorted books, papers MOT certificates & an original owners manual. Lovely walnut picnic tables are found in the seat backs.

Current mileage is showing as 12,811 to which 100,000 may certainly added bringing the total to date to 112,811 miles from new. The tyres are all in very good shape & clearly have been replaced in the recent past. This car comes with a valuation certificate for £70,000 making it look good value at the £48,000 being asked for it.

Overall a nice example at a competitive price point.
