ADDITIONAL INFORMATION / SERVICE HISTORY

1934 Rolls Royce Phantom 2 Windovers Limousine

Chassis number: 54Sk

Registration Number: Spanish registration.

A really fine Phantom 2 that has stayed for many years in a southern Spanish collection near Seville where it currently resides.

Coachwork is by windovers taking the form of a 7 seat limousine with lovely burgundy leather to the front in excellent condition. To the rear the seats & door cards are trimmed in brightly patterned cloth fabric.

This is a well maintained car with a quiet engine & strong mechanical condition. Under the current ownership it has been used sparingly mostly for short trips around its local area.

The paintwork is recent burgundy over black & is in very very good order. A large

motoring trunk is affixed to the rear of the car. This Phantom is competitively priced & is a great example for a first time buyer to start ownership of one of these grand & magnificent cars.
