ADDITIONAL INFORMATION / SERVICE HISTORY

1956 Carillac Series 62 Coupe Deville

Body Number: 19186

Registration Number: 476XVY

A rare Cadillac series 62 coming to us from a private collection. This car has had a huge restoration & is in really fine condition. Exterior paintwork is dark red with a white roof & in really nice order. This is a car simply covered in chrome all of which has been redone at vast expense.

The interior upholstery is off white along with red carpets. The headlining has also been replaced & the cavernous boot area relined. Under the bonnet the car is also very tidy. The 350 cube V8 starts readily & provides plenty of low down power in typical American V8 fashion. The automatic gear box changes gear smoothly making for a relaxing ride.

Make no mistake; this is a simply vast car & embodies the outrageous styling of American cars in the 1950s. It is a pleasant car to drive & ready for the enjoyment of its next owner.
