ADDITIONAL INFORMATION / SERVICE HISTORY

2020 Rolls Royce Phantom 8

Vin Number: SCATT6205LU202521

Registration Number: YK70EJR

Produced in late 2020 & coming to us with less than 22,000 miles from new & one owner with full Rolls Royce main dealer service history; This car was just prepared for sale by Rolls Royce Leeds, the supplying dealer.

This is a high specification car with numerous factory extras. The unmarked exterior paint is a special commission order in metallic gunmetal grey with a single silver coachline from front wing to rear door where it tapers out. To the interior is seashell leather as a primary colour with black as the secondary colour. Piano wood black accents complete the look combined with a riven slate silver dash gallery & RR monograms. Deep Pile black Lambswool carpets cosset ones feet under foot.

The car has an oatmeal starlight headliner making the interior a magical place to be at night. The rear theatre configuration gives ample seating for three people, or two when the pull down arm rest is deployed. The car sits on 22" polished forged star pattern alloy wheels shod with nearly new tyres.

This car was orderd form new with the all encompassing "Phantom Package" making it a high spec car that wants for nothing. All the usual refinements are present including the heads up dsisplay, adaptive cruise control with stop & go, lane assist & electrically deployed picnic tables with their associated fold out entertainment screens.

This car is needless to say in as new condition & has been beautifully looked after, always garaged when not in use. The engine bay is pristine & looks like new as does the fully carpeted capacious boot. Both keys & all original documents & books come with the car. Mileage will increase whilst we have it in stock.

Sensible part exchanges will be considered. This is extremely competitively priced.
