Registration Number: OYJ228

20,000 miles from new & of museum quality. This car is simply pristine & looks & drives like new. It is in absolutely time warp condition.

The car was supplied originally by Saint Roques Automobile Company of Dundee & for many years resided with an elderly gentleman in Aberlour who cherished the car, attended an occasional show with it & kept it in the pristine low mile condition we find it in today.

Needless to say the grey paint is in perfectly preserved condition as is the white roof. The red interior is equally mint & perfect. Driving the car is a wonderful experience with a taut tight feel to the manual gear box & suspension.

Simply put, this car is low mile perfection & well suited to a collection, a museum or to attend car shows with. I have never seen an unrestored one like it.
