Just two former keepers from new. The current owner purchased this car directly from Jack Barclay in 2021 as part of their approved used car sales program with 37,000 recorded miles covered backed up by Jack Barclay service history. Since then the car has done 8000 miles & now reads 45,000 miles the majority of which were on French peage motorways between his oxfordshire home & holiday home in the south of France.

A recent major service was done at the end of 2022 at 40,000 miles costing close to £5,000 to put the car in tip top order. Bills for this are on file. The car has around £12,000 in extra cost options ordered when new a list of which may be viewed in the paperwork.

The car is finished in Graphite grey with the paint being in really lovely condition having lived in a garage. The roof is black & glides up & down at the touch of a button. To the interior is quilted linen hide with beuga secondary hides for the top roll & steering wheel accents. The car sits on four split rim alloy wheels shod with

excellent tyres. Both keys & all original books come with the car.

Under the bonnet the car is immaculate with a highly detailed engine bay. It has been fully valeted every month which has kept it in such lovely order. Please note that this example is in way above average condition & presents beautifully. It drives exactly as one might expect personifying the moniker: "Grand Routier" which under the current ownership has indeed been its calling.
