ADDITIONAL INFORMATION / SERVICE HISTORY

1996 Bentley Continental R

Vin Number: SCBZB15C8TCH53102

Registration Number: N659HTE

A properly maintained vehicle coming to us with 17 service stamps in the book,

The car belongs to a higher up at Bentley Motors in Crewe & is a really fine example having covered 78,000 miles from new.

Exterior paint is dark blue metallic in very good condition. The alloy wheels have just had a full refurbishment so look like new.

To the interior is grey leather piped in blue in really really lovely condition with a grey leather headlining. Traditional burr walnut was used for the dashboard. Pale blue deep pile lambswool rugs are found under foot.

The car drives as well as it looks, having been properly looked after. Always garaged, the car is really tidy under the bonnet with an engine bay that is clean & tidy. This is a fine example of the model & very well worth a look.
