Coming to us with just one owner from new & just 44,500 miles covered to date.

This rare Phantom coupe is finished in diamond black to the exterior & was ordered new with the brushed stainless steel package. The car was also ordered with the Rolls Royce camera system & a single hand painted coach line.

To the interior is unmarked consort red leather, piano black wood & a grey starlight headliner making the interior a very striking place to be especially at night.

The car comes to us with a full Rolls Royce service history with 7 stamps in the book and an additional service in 2022 which was not stamped.

The wheels are polished chrome items shod with nearly new tyres. This car has been garage kept its entire life & regularly valeted & polished. As a result it is in pristine condition with mirror like paint & no dings scratches or blemishes.

Simply put; the car wants for nothing & is as good an example as you might expect to find. The value of these rare coupes is only going one way & that is up making them a solid collectable investment. The driving experience is sublime cossetting the lucky driver in opulent surroundings whilst proceeding in complete silence.
