Price: £61,000

### VEHICLE DETAILS

#### ADDITIONAL INFORMATION / SERVICE HISTORY

2020 RANGE ROVER SD V8 AUTOBIOGRAPHY 4.4 litre

Registration Number: OW68EHE

Very low miles with less than 25,000 miles covered from new at time of photography. This is one of the last V8 diesel models to be produced & is in pristine condition throughout. It has had two main dealer services performed since new and another service recently performed that we are waiting for a copy of the invoice for.

The car is finished in Carpathian Grey premium metallic. To the interior is ebony leather to the seats & ivory secondary hides along with light coloured woodwork.

This is a high spec autobiography model & comes with a sliding panoramic, sunroof, heater remote, secure tracker cat 7, soft close doors, heated/cooled/massage front seats, suede cloth headlining, refrigerated front console, unused electric deployable tow bar, digital TV, Meridian surround sound, Apple carplay, Android, auto adaptive cruise control, blind spot assist, heated steering wheel, 22" alloys "turbine" 700, 7 Privacy glass, cabin ionisation to name but a few of the options.

This is an immaculate example garaged every night since new & is in perfect

condition throughout. It wants for nothing & is having a new 12 month MOT certificate put on it this week. It comes with both keys & its original service pack. The private plate is being retained by the owner and it will revert to its previous number: OW68EHE. Mileage will increase whilst we have it in stock.
