1 owner & just 6,000 miles from new. This Cullinan was ordered with a massive specification including the all important starlight headlining, black mascot, radiator & black door handles & a set of beautiful custom low profile multi spoke alloy wheels in black. There is also an unused electronically deployable tow bar along with all the standard features one finds on one of these. It is a late 2022 model supplied in September of that year.

The exterior is flawless metallic grey/blue paint which is simply pristine having been always garaged on the Bishops Avenue in London. To the interior is black leather throughout with Aqua stitching & accents along with a hand painted Aqua single coach line.

Simply put: this car is like new with very very low miles & presents beautifully. It comes with both keys & all original tools books & papers.
