#### ADDITIONAL INFORMATION / SERVICE HISTORY

2006 Mercedes SL55 AMG

Vin Number: WDB2304722F121054

Registration Number: CU06SWX

A mint 3 owner car with just 24,000 miles covered from new. The car comes to us with a huge history file showing it has been properly maintained & the car has clearly always been garaged when not in use. This is a high spec car that came when new with masses of options which are listed below as is the service history. A full set of MOT certificates show the small incremental mileage accrued each year.

This is a simply pristine example in like new condition. The exterior metallic silver paintwork is unmarked & perfect as is the black leather interior. The car sits on four spoke style unmarked mercedes alloy wheels. Perfection needs but few words.

The car is in stock with us now & ready for immedaite use wanting for nothing.
