VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1996 Bentley Continental R Mulliner

Registration Number: P652XGT

Chassis Number: SCBZB15C8 VCH53331

Finished in Diamond Blue Silver with Black hide interior, Black carpets and matching over-rugs, Top roll, knee roll, rear parcel shelf and headlining trimmed in Black hide. Also Fitted with Rear Parking Aids.

This car comes to us in really lovely condition having been supplied & looked after by noted specialists RR&B gagrges for the last three owners. It has covered some 69,000 mils from new & drives beautifully.

Ill health of the current owner means it has seen little use over the past three years whilst remaining garaged. We are thus conducting a full service upon the car & supplying it with a fresh MOT as of March 2025.

The paintwork is in really really fine condition befitting of a car that has always been garaged. Likewise the black hides to the setaing surfaces are in excellent condition. There is just a little minimal wear to the drivers seat & we are having this re-dyed to lookk like new.

This example really stands out condition wise & is in a very desirable colour combination.
