VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1967 Bristol 409 Coupe

Chassis Number: 409/7333

Registration Number: FBL566E

Nut & Bolt restored to as new. This car is as close to perfection as you can get. It resides in a prominent collection of high end cars whom's motto is only the best will do.

The car is finished in Rolls Royce Midnight blue to the lower section with a metallic georgian silver roof giving the car a very sleek appearance indeed. Possibly the best part of this car is when you open the bonnet & are confronted with a simply immaculate V8 engine lurking in the engine bay.

The interior is stone coloured leather upholstered to gentlemen's club style chairs along with lashings of traditional Walnut making for a quintessential English grand tourer. The spare wheel in usual Bristol fashion is secreted in the front wing under a lift up hatch. Indicated mileage believed correct is 44,000 from new.

The car drives as well as it looks with effortless performance from the big V8 which simply wafts the car down the road but also has serious performance when

required. It is spacious comfortable with a lovely supple ride & is frankly more refined & understated than a similar Jensen interceptor.

The condition of this Bristol is like new & has to be seen to be believed. Not the cheapest one on the market but the quality remains long after the price is forgotten.
