VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1971 Mini Cooper S

Registration Number: EIA2317

The car sits on genuine Minilite wheels.

The car has been kept as part of a private collection of mostly high end cars in a controlled environment where it shares garage space with none other than John Coopers personal Mini Cooper S with just 1000 miles from new. This example in similar condition has an indicated 44,000 miles.

The car was nut & bolt restored to as new & indeed presents as brand new today.

Little more need be said as perfection needs but few words. It is the best we have seen. It is located in a Northern Irish collection where it may be viewed by appointment. Alternatively we can collect & deliver it to you.
