ADDITIONAL INFORMATION / SERVICE HISTORY

1969 Mercedes Benz 280 Pagoda SL

Registration Number: O-AFH-476 (Belgium)

A lovely fully restored example with the desirable fuel injected 2.8 litre straight six engine. The odometer shows 31,000 KMs. This car underwent a nut & bolt restoration not long ago.

This car is finished in light ivory paintwork which was done after a major body refurbishment with every bit of corrosion removed from the chassis prior to being primed & painted. An entirely new interior was sourced for the car in brown & presents as new. The convertible top is likewise in Brown to match the interior

Mechanically the car also had a full rebuild & now runs beautifully with the indestructible 6 cylinder engine allied to a smoothly changing automatic gear box.
