28,475 miles from new & always garage kept. This McLaren Mercedes is in pristine condition & has had its big engine out service done recently. Importantly it is a UK supplied car.

The Black Metallic paintwork is in mint condition as is the red leather interior. The headlining is grey alcantara. The 4 Turbine alloys wheels are in lovely order & are shod with 4 excellent tyres. The car has resided in a small Scottish collection amongst an assortment of Rolls Royce & Bentley motor cars & may be viewed in Scotland by prior appointment. Alternatively we can collect & deliver it anywhere world wide.

The car goes as well as it looks & has clearly been very well cared for.

The Number plate VUM1 is also available & the owner is open to offers on it.
