VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

2017 Ford Ranger 3.2 Litre V6

Vin Number: 6FPPXXMJ2PHP59306

Registration Number: RA17PZY

A low mile example with just 39,000 miles covered from new & in really pristine condition. This is a high spec example with adaptive cruise control, side steps, premium wheels, tow package & a lockable flip up load cover over the lined pickup bed. It has been properly maintained with the last service being done in September of 2024. The front Grille has been replaced with an aftermarket one containing day time running lights.

The exterior orange paint is unmarked & lovely as are the alloy wheels shod with 4 good tyres. A K & N air filter has been fitted under the bonnet which lifts to reveal an immaculate engine bay. The truck comes with both keys & all its original books & papers. It has never been a work truck & thus is in way way above average condition compared to some of the higher mile examples out there. The photographs speak for themselves. It has just arrived & for sure will not hang around for long in this condition. The MOT runs until June of 2026
