Vintage & Prestige is proud to offer this exceptional example of a Jaguar XJ8 Sovereign.

Imported from Japan in 2024, this Jaguar XJ8 underwent some recommissioning to make it just as new.

Having covered only 54k miles, this Jaguar XJ8 Sovereign presents itself incredibly well; the interior is super tidy, with barely any wear shown, almost as if no one has ever sat in it. This Jaguar XJ8 Sovereign comes with all the original handbooks and FSH. Being a Sovereign trim, the car is equipped with all the amenities that one would want in a car: cruise control, heated and cooled seats, sunroof, bi-zone climate, CD changer and sat nav.

Upon arrival in the UK, this Jaguar XJ8 Sovereign received a new speedometer cluster with MP/h over KM/h (from Japan they come only with KM/h) and an English head unit with radio and sat nav, bluetooth phone connectivity was also installed in the car.

Part of its recommissioning included new air suspensions, new Pirelli tyres, brakes all around, and several bushes, and it's also been blasted underneath with dry ice and rustproofed with Dinitrol.

The exterior is finished in Midnight Black Metallic and it's virtually unmarked, just as the Champagne interior.

This Jaguar XJ8 Sovereign can hardly be faulted, and it's ready to be driven away and cover thousands and thousands of trouble-free miles with the new owner.

Ready to be seen and driven away from our showroom in Northampton.
