ADDITIONAL INFORMATION / SERVICE HISTORY

1959 Rolls Royce Silver Cloud 1

Registration Number: 456YYC

Fully restored by Marque specialists Classic Restoration Services of Chichester.

This Silver Cloud 1 has been totally disassembled & all corrosion removed & new metal let in including inner & outer sills etc. It has been painted in the striking colours of a pale metallic greenish gold over black making it a very distinctive car indeed.

To the interior is very dark purple leather along with matching carpets. The woodwork has of course also been removed & refinished to a mirror polish.

Mechanically the car has also been thoroughly gone through to make it as good a driving experience as possible. It is simply a pleasure to go down the road in & wants for nothing.
