Price: £75,000

VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1929 Lagonda 2 Litre 'Honeymoon Coupé' - 1 of 2 in existence

Registration Number: GU2935

Chassis Number: OH9317

Just arrived & undergoing a re-commissioning service prior to us conducting a proper photo shoot.

Lagonda announced a new body design in January 1929 that was to be based on the Speed chassis, it was called the 'Close-Coupled Saloon' (CCS) and was a fixed-head coupe featuring a large external boot and folding seats in the rear. It was exceptionally well proportioned and soon attracted the title of the 'Honeymoon Coupe' with only two doors of decent size to allow easy access to the rear seats. This particular car also has the very unusual feature of double winding windows within each door.

The car appears to be in excellent condition with lovely patina to the interior. It was parked two years ago in the owners garage & not used to to the owners health & frailty. When parked it was in very good running condition so we expect the recommissioning to be a straight forward affair.

New Pictures to follow soon. The other existing example in similar condition was recently sold for £90,000
