ADDITIONAL INFORMATION / SERVICE HISTORY

1964 Bentley S3 Standard Steel Saloon

Chassis Number: B300FG

Registration Number: CJW844B

A really nice original example with just 85000 miles covered since new. The car is finished in grey over blue metallic with excellent paintwork all round. To the interior is original grey leather in excellent order with a little loss of colour which is being rectified by re-dying the colour back into the leather.

The car has been in long term enthusiast ownership & clearly has been well looked after. It drives absolutely as one of these should with a supple soft ride, seamless gear changes & a smooth powerful V8 engine. We are awaiting the service history to arrive at which time we will photograph it. Being a late production model it benefits from the more powerful engine.
