VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

2019 Range Rover Autobiography Long Wheel Base 4.4 V8 Diesel.

Vin Number: SALGA3AJ8KA538116

Registration Number: Rf68YEG

23,000 miles from new & simply mint. This LWB car was ordered to an incredibly high spec & has been regularly serviced with 6 services in the online history.

THE LIST OF EXTRAS ON THIS CAR IS ENDLESS: Deployable side steps for easy access, an unused tow bar, rear privacy blinds, the Long Wheel Base giving acres of room to the rear passengers, centre console fridge, heated & cooled memory seats with the massage function, adaptive cruise control, 360 degree cameras, Rear entertainment screens with head phones, fully opening panoramic sunroof, rear heated/cooled reclining massge seats, extra size fuel tank giving 570 mile range between fill ups....the list goes on & on. It is very very hard to find a low mileage LWB in this kind of condition & specification having cost a kings ransom when new.

You really have to experience one of these extended wheel base (EWB) examples to appreciate how good they are when compared to the more pedestrian regular length ones. The ride quality is far far suerior cossetting the occupants & making

journeys very very relaxing indeed.

The car is finished in unmarked Santorini black paintwork with perforated ebony hide to the seating surfaces. Secondary hides are cream which extends to the alcantara headlining. The ensemble is finished off with light cherry wood for the timber accents. The car sits on four unmarked diamond cut alloy wheels shod with excellent tyres all round.

Mileage will increase a little whilst it is in stock with us as it is too nice not to drive.
