1939 Jaguar SS100 3.5 Litre

Chasis Number: 59056

Registration Number: 403XUH

Mint fully restored & residing in a private collection for many years.

This is a rare example being just one of 116 examples made from new with the larger 3.5 litre engine.

The car is finished in unmarked British Racing Green paintwork. To the interior is beige leather. The car is on the button maintained by the collections in house mechanic & is ready to go anywhere. The only deviation from new is the fitting of easily removeable modern seat belts. The car sits on four green anodized wire wheels shod with new blockley tyres.

Perfection needs but few words so not much more need be said.
