Vintage and Prestige are proud to be offering this 1998 Bentley Arnage Automatic for sale. This superb Bentley Arnage comes to us with extremely low mileage at just 51400 miles. The 4.4 Liter BMW sourced engine accelerates this British executive saloon, along with its four occupants, to 155 mph in extreme comfort.

The Bentley Arnage also has the highly unusual feature of extended walnut trim which is frankly the first example we have seen. The walnut even extends to the picnic tables in the rear and the courtesy mirror facings.

This Bentley Arnage would guarantee a memorable journey wherever your destination. The exterior is finished in metallic 'Forest Green' and the 16 inch alloys are shod with four new tyres. The interior is dark magnolia unmarked leather with matching 'Forest Green' piping.

Mechanically sound and ready to park on your drive. This Bentley Arnage wants for nothing except for a new owner. Included with the

Bentley Arnage is a full service history, part completed by Bentley main dealers and Bentley specialists. The last service was carried out by shadow motor in Sittingbourne recently.
