Vintage and Prestige Fine Motor Cars are proud to be offering this 1967 Jaguar S Type Saloon for sale. This Jaguar S Type Saloon has only covered just 500 miles since undergoing a complete restoration. The restoration included every panel being taken off the body, then shot blasted and repaired where necessary and siliconed sealed underneath.

The Jaguar engine and transmission have been completely stripped and rebuilt. The interior cream leather upholstery, headlining, carpets and walnut dashboards and cappings have been finished to an extremely high standard and we are told that over £25,000 has been spent on the restoration alone.

The Jaguar S Type Saloon has been dried stored for the last fourteen years and comes complete with full history and photographic evidence of the restoration work.
