1959 Jaguar XK150 FHC LHD Manual Overdrive

Chassis number: S835947DN

Registration number: GSK933

Vintage and Prestige Fine Motor Cars are proud to be offering this 1959 Jaguar XK150 FHC LHD Manual Overdrive for sale. This Californian Jaguar was in the noted 'Blackhawk Collection' for many years in Danville California, prior to finding its way back to its home shores a couple of decades ago.

This is a very original and honest Jaguar XK150 FHC in fine order throughout and has not been the recipient of major restoration work. The interior is delightful and has a lovely feel to it.

The Jaguar XK150 FHC is finished in Jaguar 'Cream' with a red interior as specified on the heritage sheets. The paint has one or two minor age related cracks that do not detract in any way from the lovely overall appearance of the car.

The Jaguar XK150 FHC starts readily with the 3.4 liter engine pulling well with good compression. Being an overdrive Jaguar, it is long legged on the road running well in modern traffic. It sits on wire wheels retained by knock off hubs. A full stainless steel exhaust has also been fitted along with recent master and slave cylinders. New brake pads and discs have also been fitted.

Overall this is a good original Jaguar in fine order and as such it has a lovely feel to it. The Jaguar XK150 FHC comes with a good assortment of bills attesting to regular no expense spared maintenance since its return to the UK.
