ADDITIONAL INFORMATION / SERVICE HISTORY

1972 Jaguar E-Type V12 FHC

Chassis number: IS50718

Registration number: BOK495K

This car has been part of a collection on the island of Guernsey which has kept the miles off it to a low 67,000.

The car is finished in Ascot Fawn with a tan leather trim both of which are to the original specification. The engine is the original engine, whilst the gear box has been changed to a 5 speed unit for enhanced driveability. UK duties have been paid after the car was repatriated from Guernsey.

The car runs & drives beautifully with a smooth seamless engine & excellent driving characteristics. It is not a concours car as the interior is original with patinated leather. It is however a very smart & useable daily driver.
