Supplied new in the North of England, This car was quite soon after shipped to California to Beverly Hills as the filmproducer Sy Weintraub bought the car.

Later the car was sold to Victor Rothschild (the American clan) who married a girl from Gothenburg. The car was repainted early 1990's or late 1980's at Rolls Royce of London after leaving the USA. Ingela Rothschild Keiller took the car to her villa outside Gothenburg there it was parked for 20 years. The odometer has just past 54.000 miles.

In recent years the car has belonged to a Long time Swedish RREC mameber who has lavished care on the car & used it during the summer only. In september 2015 at Rohdins in Sweden the ignition system was changed as the car miss fired a little. The complete braking system has been overhauled, each wheel, master cylinder and the glass reservoirs has been changed to new. The carburettors have been adjusted & a full service caried out by Rohdins. The interior is very very nice so is the paintwork. The car won the Concours de Elegance in Scandinavias biggest

meeting at Rohdins 2012 and the car can be viewed at Rohdins webpage under videos.

Well suited to wedding work, the car is just arrived back with us & ready to go to a new home. The current owner put some 4000 gentle miles on the car over the last 5 years.
